

**TOWNWIDE KEY THEMES/PRIORITIES**

<input type="checkbox"/>	Protect water quality in all forms – harbors, rivers, ponds, drinking water
<input type="checkbox"/>	Protect the environmental resources that Barnstable maintains including open space, beaches, lakes, ponds, habitat, trails, vistas, etc.
<input type="checkbox"/>	Preserve and enhance tree canopy throughout town but especially in Hyannis
<input type="checkbox"/>	Protect and enhance tourist appeal, such as quaint Cape Cod features, beaches, open space, etc.
<input type="checkbox"/>	Preserve diverse community character that is unique to each village
<input type="checkbox"/>	Preserve historic structures, features, and traveled ways that provide Cape Cod charm
<input type="checkbox"/>	Expand housing options and opportunities at affordable prices for all ages
<input type="checkbox"/>	Reduce traffic congestion and speeding; improve pedestrian safety
<input type="checkbox"/>	Provide more opportunities for children and families—recreation, village events, medical access, specialized education, etc.
<input type="checkbox"/>	Create more year-round employment opportunities, especially in the Blue Economy and job sectors that provide living wages
<input type="checkbox"/>	Improve safety in village centers and supportive health and human services for those in need
<input type="checkbox"/>	Foster opportunities to form community connections and get to know neighbors
<input type="checkbox"/>	Increase proactive communication and transparency from town government
