

Barnstable Local Comprehensive Plan Village Community Meeting

April 2024

What is the Local Comprehensive Plan

Local Comprehensive Plan

A local comprehensive plan defines a long-term vision for the community by anticipating and guiding the **rate of new development** and coordinating it with **capital facilities**. A comprehensive plan defines the **unique values** we seek to protect and encourages **balanced economic development**.

Why is the Local Comprehensive Plan Important?

Town of Barnstable's Mission Statement

Our mission is to protect the Town of Barnstable's quality of life and unique character, engage our citizens, and enact policies that respond to and anticipate the needs of our community.

How is the LCP Update Structured?

Local Comprehensive Plan

The Town's Local Comprehensive Plan is being updated in two phases:

Phase I

- Existing Conditions
- Vision Statement

Phase II

- Land Use Topics & Community Goals
- Action Plan

Phase I

An Existing Conditions Report and Vision Statement were developed during Phase I

Barnstable Local Comprehensive Plan
Final Vision Statement

The town of Barnstable is a vibrant and diverse community where people and nature thrive together. We are committed to creating a healthy, safe, inclusive, and equitable place for all residents and to restore, enhance and protect our natural resources for future generations.

To achieve our vision, we will proactively:

- Protect, restore and enhance priority natural habitats, salt and fresh water resources, and open spaces.
- Maintain healthy coastal ecosystems along with commercially viable harbors.
- Protect and improve the quality and quantity of our drinking water.
- Prepare and adapt to climate impacts including sea level rise.
- Reduce our environmental footprint by investing in low-carbon energy, reducing greenhouse gas emissions, and better managing our waste.
- Build on our outstanding recreational opportunities and enhance access to open spaces while also ensuring no environmental harm as recommended by the open space and recreation plan.
- Preserve, enhance and celebrate the unique historic character and sense of place of the town and each of its seven villages.
- Promote a diverse economy that supports living wages and local businesses and restores, enhances and protects the natural environment.
- Commit to providing affordable and attainable year-round housing options.
- Provide access to high-quality public education, healthcare, human and social services, and a healthy environment.
- Foster an inclusive community that values diversity.
- Create a healthy, safe community, and care for those in need.
- Incentivize redevelopment and encourage new development toward locations with adequate infrastructure and away from environmentally sensitive areas town-wide.
- Enable people to travel safely and efficiently by the mode of their choice.
- Build essential infrastructure that is resilient, adaptable, and sustainable and minimizes its environmental impact.
- Increase transparency of the local government so that it can make effective decisions ground in citizen input and implement necessary changes efficiently.
- Strengthen community connections and communication town-wide and seek opportunities for collaboration with neighboring towns.
- Recognize and build upon previous efforts by citizens and the Town to make Barnstable the best that it can be.
